RELEVANT EXPERIENCE

Paddlers Hub | 2026

- Edited promotional videos using AI-assisted tools to support marketing and pitch materials
- Built a financial planning model in Excel to project revenue and costs, supporting go/no-go decisions on pricing and subscription tiers
- Presented the venture at a live pitching event under the Wadhwani Foundation entrepreneurship program, translating a raw idea into an investor-ready pitch

Self-Employed Online Seller

Independent / Freelance | 2022 - 2025

- Managed end-to-end order fulfillment and customer support for a commission-based reselling business, handling inquiries and delivery updates via chat and messaging
- Maintained product listings and inventory tracking across multiple sales channels, updating pricing and descriptions to stay accurate and competitive
- Kept daily records of sales, orders, and stock levels in Google Sheets, supporting accurate reporting with zero discrepancies
